

## Flag Race

Right or left hand pattern may be used. Three 55 gallon barrels are to be used. Sand must be used in buckets and must be 3" to 5" from the top of the five gallon plastic bucket. Flag stick must be 14" to 18" long and must be placed straight up and down on edge of bucket with the flag open. Flag may be placed in the bucket by rider right side up or flag side down. Knocking bucket or barrels down, dropping flag or interfering with buckets or barrels falling are grounds for disqualification.
